

Supplemental Security Income (SSI) for Children:

What is it, who is it for, and how can **Family Shelters/Homeless Service Providers** help?

How can SSI for children help?

- Stabilizing income for families to help them transition from the homeless service system
- Enhanced health insurance coverage (Medicaid)

Who is eligible?

- Children (birth to turning age 18) with a physical or mental impairment that causes marked or severe functional limitations
- Children and families with low income and resources
- Note: If a child is unmarried, lives with their parents, and their parents do not receive SSI, a portion of the parents' income and resources may be considered

How can I contribute and help a child access resources?

- Identify children who are experiencing or at risk of homelessness who have a serious mental illness, medical impairment, and/or a co-occurring substance use disorder
- Identify housing, employment, and education resources
- Connect with local family support organizations as well as treatment and support groups for the child and parents/caregivers
- Assist with other supportive service needs, such as food assistance and other mainstream benefits for which the child and/or family may qualify
- Identify staff to complete the SOAR Online Course: Child Curriculum and assist children and families with completing the SSI application using the SOAR model
- Collaborate with State and Local SOAR Leads, SSA, and DDS

What resources are available?
